Presented by: Rand Rodeo Company and Chicks-n-Spurs Drill Team to benefit Peitz Cancer Support House

Event Description: The annual Pink for Peitz Rodeo benefits the Peitz Cancer Support House, a community outreach of Baxter Regional Medical Center, providing comprehensive support services for cancer patients and their families.

The Arkansas Family Rodeo (AFR) presented by Rand Rodeo Company includes popular events such as bronc riding, calf roping, team roping, barrel racing, goat untying, bull riding and mutton busting for kids. The celebrated Chicks-n-Spurs Drill Team will perform and a Cancer Survivors' Ceremony will be held each evening. Food and drinks will be available at the Mountain Home Saddle Club Concession Stand.

In addition to the rodeo event, there will be several opportunities for the public to actively support the cause, including participating in Pink Jail "arrests", 50/50 split drawing, and silent auction.

The 2016 Pink for Peitz Rodeo is an official "Tough Enough to Wear Pink" event, a nationwide initiative sponsored by Wrangler, to raise funds and awareness for Breast Cancer through rodeos and western events.

Rodeo sponsorships are now being accepted with proceeds directly benefitting Peitz Cancer Support House and the patients they serve. To help sponsor the event, please contact Melissa Hudson at 870-508-1457.

More information on rodeo events and participant entries can be found at RandRodeo.com. For more information on Pink for Peitz Rodeo and the services provided by the Peitz Cancer Support House, please visit www.PinkforPeitz.org.
